“ *A sister makes your life complete no matter where she is. When I think of our childhood, it seems so long ago, but as we became adults, it feels like yesterday - all the beautiful memories we made and the closer we became will remain forever in my heart. I love you Sis - Rest in Peace. "Sisters are a gift to be cherished, embraced and remembered for eternity"*

*My sweet Alice. Thank you for your friendship and love throughout the years. You were a person of great integrity and compassion. Your smile and your laugh were contagious. We laughed at the silliest things. You were so thoughtful and kind. After all these years, a birthday would not pass without a thoughtful, sweet message from you. May you now live peacefully in the presence of God. Love you my friend. I know we'll see each again so for now i say "see you later Alley Cat".*
