“ *My best memories were spending summers in San Antonio with you and the family Tia Licha. I can smell the Big Red opening and feeling comfort in little walls of your sweet home. I can still see you opening the little Tupperware that holds the Juicy Fruit and Doublemint Gum. Spending the afternoon on your picnic table off the patio was the greatest memory for me.*

There will never be another Tia Licha quite like you! You made my life better. I will miss you so much!

*With my love,
Sundie*
