“ Sorry to hear Uncle Allen has left our world but I know his reunion with the love of his life will jolt heavens floor. I’m sure cold beer and dancing will be involved. Uncle Allen had a huge impact on my love for outdoors and the smell of fresh cut grass. I would spend many days at aunt Charlene and Uncle Allen’s on my summers in San Antonio. Me, Aunt Charlene, and him would hop in his old pick up truck at the crack of dawn to mow lawns and cut down trees. He was sure to hand me a broom or rake or trash bag to lend a hand. He most definitely wasn’t letting me sit on the side lines and soak up the rays ☺ I appreciate him for that! He taught me Hard work pays off. I was actually with them when he almost chopped his arm off trying to cut a tree limb down. He told me not to be stupid like pollocks and use my noggin ☐ I’m sad I didn’t get to spend more time with him and aunt Charlene. They both made a huge impact in my life. I still have some seeds uncle Allen gave me at uncle Bills funeral. Poppy seeds. Aunt Charlene said every year he’d plant some for her on the fence line b/c he knew how much she loved them. Their love for each other was a huge model for me and I’ve tried to be mimic it❤️ to all the grandchildren and family you were blessed to have him and I’m sorry for your loss.

“ *It's a wonderful reunion for Allen and Charlene. Allen was a wonderful person. I had the highest and utmost respect for him. I'm sad I didn't see him prior to his departure, but look forward to seeing him and Charlene on that glorious day when we will all be with Jesus for eternity. Good bye for now Allen. Love, Carolyn, your favorite sister in law. Sssss just kidding.*

Two of my favorite memories:

- 1. Before he and Charlene were married, they were driving down a one way street when a car that was going the wrong way crashed into them. At the last second, Allen threw himself between the dashboard and Charlene. Keeping her safe.*
- 2. Several years ago a group of us went out to eat. A stranger needed financial help getting a new car battery. Allen was the first one to hand the man a goodly amount of money. No questions. Just kindness.*

Prayers for comfort, for family and friends.
