“ *Shocked and so very saddened to learn about Allen's passing! Allen was so very special to us for over 20 years. He was truly one of a kind and will be missed terribly. Our deepest condolences to his wife and children, mother and sisters and the entire Wong family. We remember when his father passed and he took over, then when he wed, then the children came. He was so proud of his family. God bless his soul and family.*

“ *Me and my kids eat at Lung Fung all the time and I've gotten to know Allen a bit over the last couple years. He's a good man with a good heart and will be missed. I'm so grateful that death is not an exclamation point but a mere comma in our Eternal existence. I'm grateful to know that our Families can be together forever, that our relationships do NOT end at death and that families can be together forever.*

Love you Allen, you will be missed my friend...

“ To the Family of Allan Wong

I appreciate how beneficial and helpful you and your restaurant has been for our community. There were many nights in the years we built our home that your great food fed my family. Allan was always cheerful and helpful with vegetarian options. I remember one night in 2000, Allan was about to close his restaurant. It was raining and we were exhausted from working on our house. Allan kindly took our order to go. We've been patrons since your restaurant opened in the 1990s. Many blessings to you and most especially for Allan. May your hearts know peace.

If he hadn't seen me in a long time he'd say "where have you been?!" That's what truly makes a customer feel special! I pray for his children, wife, mother and sister. Rest In Peace, Allen. You will be missed.

“ Allan was a truly nice giving individual. Lung Fung was the only Chinese food establishment we would patronize. Most time getting take out. Best Oriental food in town; but also because we were always made to feel appreciated. Regardless, every time I went in, he would always meet me with an upbeat welcome and a short visit. RIP Allen and prayers of comfort for the family.

Allen was always friendly to me and my husband, we ate there often. Once we saw him in San Antonio he hugged us like we were family. After my husband died in 2017 I didn't go there for a long time, but when I did I got a hug and he remembered what I used to order. He was a special person. sorry for his family's loss.
