“ *Sending my condolences to Alma’s family and friends. I met Alma when I first came to AFPC and joined the team that she was on. Not having any family or friends in the area, she opened her house for us to come over during Thanksgiving holiday. Alma always attended Morale events within BEST and always had a smile on her face. Even after becoming a supervisor and leaving the team, she always stayed connected and I really appreciated that. Alma you will be missed dearly by lots of friends, family, and co-workers.*

“ I had one of the best time of my life meeting, and having Alma in my life by my side for the last few years of her life , she changed me , and my life , all for the better , I looked up to her as a mentor , friend , partner , and the love of my life . I admired her for love , and unselfishness for her family , coworkers, and friends. I witnessed how she would go out of her way for her family, and fiends . I could go on and on about Almas love , and generosity for the people in her life , we lost a beautiful human being.
