

Alvin Adolph Douglas

April 5, 1928 - June 30, 2021

Alvin Adolph Douglas was a kind-hearted and deeply devoted family man. He was born April 5th 1928 in Poteet, Texas to Frank and Eloisa Douglas, and passed away at the age of 93 on June 30th 2021.

Alvin had a wonderfully full childhood. Through hard work, he graduated from Brackenridge High School and later Apprenticeship School after learning electronics. It was at this time in his life that he decided to serve our nation. Alvin went on to enlist in the United States Army and served his country as a Private First Class. Alvin continued on to Kelly Air Force Base where he worked as a Planning Engineer on many aircraft, the last being the C5 Galaxy. He then retired after 25 years of service in 1979. The years to follow held many successes in his career within the Real Estate industry where he joined his wife at the office she brokered.

Alvin married Lupe Douglas on June 28th 1957 and was adoringly married to the love of his life for 36 years. It was during this time that they enjoyed traveling everywhere and anywhere, from driving up to and down from Canada and exploring from Las Vegas to Cancun. Their motto was "on the road again!" They loved being around friends and family. Alvin was the devoted father of Ron, James, Dwayne, and Rosanne. Becoming a husband, father, and later a grandfather was truly the greatest blessing to Alvin. He is fondly remembered as being a loyal, loving, and kind man. He was the bright

light of the Douglas family—always bringing everyone together through his vivid stories and memories acquired from a full life.

Alvin was always surrounded by his family. He prioritized family relationships and spending quality time with those he loved. He greatly enjoyed attending and hosting social gatherings with his wife, Lupe. This was a favorite pastime for the Douglas's. The couple could often be found dancing the night away and smiling ear to ear. Alvin absolutely loved to make Lupe laugh—as he would often say, her smile always lit up the room. When Lupe passed he shifted all his attention to being the best grandfather. He loved being around his grandchildren. He was an adventurous man who greatly enjoyed hunting, fishing, playing pool, exploring museums with his grandson, and loved attending dance recitals and football games to watch his granddaughters dance. You could often find him captivating those around him with his warm smile, kind heart, and tales of adventures overseas. His family and friends will dearly miss him, but take comfort knowing that he has been reunited with his loving wife after 27 years.

He is preceded in death by his parents, Frank and Eloisa Douglas, his wife, Lupe Ann Douglas, and his brother, Joe David Douglas. Left to cherish his memory are his children, Alvin Ronald Douglas; James Edward (Elizabeth) Douglas; Dwayne Alan Douglas; Rosanne (Ron) Palmer; grandchildren, Genevieve (Taylor) Dorn; Priscilla (Ryan) Epps; Bradley (Celeste) Douglas, and many nieces, nephews and godchildren.

“ *My condolences for your great loss Rosanne and Dwayne. I will be offering this Sunday's celebration of the Holy Mass for your beautiful father. I am so proud of how well you took over your father at home 24/7. That can be a dangerous feat for your body, spirit, and mind. It's clear that God has been watching over and protecting you from "caregiver burnout." I know you will continue to be blessed by God, Our Father, for all the love and care you have shown Mr. Douglas over the months and years.*
