“ I couldn't ask for a better big brother, growing up with him was fun. We didn't had electronic games and the TV had 3 stations. We played baseball , street football and a lots of air guitar to Led Zeppelin music . We walk to school every day even when it rained . We join the track team in which he ran the mile and two mile relay. We would go to dances Friday nights to St Francis and Providence gymnasiums and danced to the Royal Jesters band. We also would take the bus downtown to watch movies at the Texas Theater and the Majestic. My brother certainly paved my future's path. I will miss him a lot. Love you my brother.
