“ My deepest sympathies Janie.GOD BLESS YOU.

Lord, at the moment nothing seems to be able to help the loss I feel.
My heart is broken and my spirit mourns.
All I know is that Your grace is sufficient.
This day, this hour
Moment by moment
I choose to lean on You,
For when I am at my weakest Your strength is strongest.
I pour out my grief to You
And praise You that on one glorious day
When all suffering is extinguished and love has conquered
We shall walk together again.

“ Our sweet Ally (Itty Bitty) we're gonna miss
you so very much. Had the great honor and
privilege to meet her working at Crazy J's
Sports Bar for a couple of years and wow. I
had never met someone so full of energy and
full of fight like she had. You did great during your battle.. We will
always love and miss you deeply.. Can't believe you're gone!!! 😭😭😭

“ You were obviously a fighter! Knowing your
condition you always seemed to have a smile
on your face. You obviously were loved by
many and brightened somebody's day even
though you had your own battle.
I feel sad that the Lord took you away from your baby girl and
family, but he obviously had a better plan for you. You are no longer
suffering, pain free...and now you've gained your beautiful wings to
watch over your daughter and family and be the Angel you've
always been! RIP Beautiful Ally

“ I've known Ally since the age of 11 she has ALWAYS been strong willed and so determined and for her size tough as nails no lie! Like I said how she stepped up for our All star softball team at 5 diamonds and her little self STEPPED UP and pitched a awesome game against Fredericksburg(we didnt have a pitcher during that game so she did it and owned it) then in Highschool we played against each other and who wouldn't love harlandale vs southsan softball games they were so intense and damn we played against the best it was Salina Mitchell-Ayala Vanessa Vasquez Ally Salazar Amanda Nicole Brandy Rodriguez and others and damn those games were so tough but the love and respect I gave those especially ALLY! I remember how She'd get on base and gave me this big ol sarcastic smile while on base and I will always be like crap allys on base now I have to be like a wall because I know shes gonna steal hahaha and she did and she was fast and always on her wheels! but in the end it was always love. I saw her when I was pregnant(2013) by lackland and she looked so good and being funny as always lol eyy ally I dont wanna ask god why but damn!!💔 but you are FREE ALLY! YOU'RE FREE! YOU WON!!! You beat cancers ass and all of us are so proud of You!!!! My memories like You told me will always be cherish! Love you my softball sister
