“ *Sweet Mandy girl! How selfishly saddened I am to hear that you have went home to God. I was fortunate enough to know you as my sister's bestie and as such you were my friend. I'll miss your vivacious smile, your contagious laughter and unduly curious nature. I'll fondly remember the huge laughs we shared each and every time I got to see you. I'll pray for my sister's heart and the hearts of your family to mend quickly as we will miss you so very much. But you pay no never mind to us we will see you in due time. Brighten the heavens with your amazing zest of love and light! Rest in peace girlie, until we laugh again!*

“ Oh my Mandy my best friend of 16 yrs, I'm not ready to say good bye and it's gonna kill me inside to do it. I know you know my love and pain I'm feeling for you but I will never ever forget our times together and endless talks of the deepest convos or just about our nonsense, I knew you so well and you knew me so well... and one thing I do know is your not suffering anymore even though we all want you here, your are finally at peace my beautiful friend forever and ever! I will cherish our memories forever! I love you from the depths of my soul Amanda leos!!!!
