“*How can I express the intense sorrow and pain I am experiencing? I have lost my heart and do not know how to carry onward. It is said that the Lord does not give you more than you can bear with his help. I am beaten down and miss her every second of every minute of every hour of every day. How do I continue? Amy, you meant more than life to me. May you rest safe and secure in the arms of our Lord in the sure and promised resurrection when he comes to claim his children. I miss you so very much my darling.*
