*Unfortunately I didnt grow up around my cousin Amelia, but the few times I do remember seeing her is a vision I never forget. As a kid I remember seeing this tall beautiful lady with big beautiful hair. She was tall to me little did I know it was her heels. She spoke very eloquently, smart and was funny. She was bigger than life and what I learned her heart was just as big. She loved her family and her family loved her, you will be missed but never forgotten.  
Your cousin, Roque Ramos*
