“ Many hugs and prayers for The Garcia - Sanchez Family. My dear Aunt Cookie, I'm glad I made time to see you each and every time I came into town. Although it was always a quick meeting it was filled with laughter and love. I will remember staying the night on H Street, playing in the front of the street and hanging out with Christina kids from next door. David playing the accordion in the back garage/shed and the many holidays gathered around Ama's round kitchen table with you Aunt Yaya and Grandma and yourself drinking coffee, smoking and laughing and making tamales. Memories XoXo

Barbara, Cathie & David, I'll never forget the day your mom called me to her home and we had a long heart to heart talk about life...her wise words of wisdom still resinate. We both enjoyed black olives and laughed about noone understood how we could just eat them right out of the can! I remember the Easters her backyard and the large bags of pecans she told me to come pick from her yard. I baked fantastic cookies that Christmas! With much love and Great Memories.
