“ There was never a dull moment with her. My favorite memory with here was when taking her home she looks at the radio counsel and said it late 9.85. She repeated it again 9.85 with confidence. Omg, that’s the radio station Wuella, not the clock. We could not stop laughing. Love you always!!

From the first day you were born she loved you unconditionally. She would always ask for her Prieta. You and here definitely loved talking to each other. It was a joy and blessing that you had the opportunity to have a great relationship with her.
