“ Amelia,
A wonderful person that I had a pleasure of meeting decades ago. My mom introduced me to as her first cousin. They would chat on and on about their childhood and I found that very impressive and little did I know that Martha and I would do the exact same thing. Hold your family dear to you and enjoy their company and forever have fond memories in your heart that will not cease to pass away.

“ Dear Family - I pray we treasure and celebrate the beautiful 92 years of Grandma's life. These are appropriate photos of her, because that is exactly how I remember her the most - beautiful SMILE and unique LAUGHTER and FORVER active.

You are all in my thoughts and prayers. Wishing peace and courage to face the days ahead. I pray we are all comforted by the many memories we had of her and with her. All the loving memories we have to forever hold dear in our hearts.

May the Lord continue to bless us

Love and comfort to us all,

Very good post mylove. She was a wonderful woman. Strong, loving and welcoming. She always made me feel at home in her home. I loved that she would ask for me before she saw me. She never treated me like an in-law. I was family and she was a blessing. Wonderful woman.
