“ I was saddened to hear of Ampy's passing. We worked together at Brooks AFB for many years and were actively involved in the Federally Employed Women's program there. She was a wonderful role model and mentor to many of the women at Brooks, myself included. I know the family's heart is broken on the loss of your mother, grandmother, and aunt. Take comfort in knowing that Ampy leaves behind a legacy through the women whose lives she touched while at Brooks AFB. Jon well done, dear friend! Rest in peace.

“ My sincerest condolences to Mrs. Amparo Diaz 's family and friends. Amparo was so appreciated for all her volunteering. She touched and changed so many lives. Amparo was always ready to lead, follow or to lend a hand as needed. Thank you for all you taught me especially your example on how to follow Christ. I have missed you these past few years and pray for your eternal rest.
