

## Amy Lynn Gutierrez

July 17, 1968 - August 4, 2024

Amy Lynn Gutierrez passed peacefully surrounded by family on August 4, 2024. She was born on July 17, 1968, to Ken Benavides and Bonnie Tom in San Antonio, Texas. While she called Scottsdale, Arizona home for the last twenty years, Amy loved her Texas roots and the fourteen cities she lived in, making many friends along the way. Amy attended the University of Texas San Antonio and later established her own company, Sanctuaries Interior Design. Amy was an accomplished designer, her work featured in several publications and awards.

Amy was married to her devoted husband Gary Gutierrez for thirty-eight years, soulmates perfectly balancing each other in every way. Amy and Gary welcomed their daughter Tabitha shortly after marrying and they became an inseparable trio. Amy was an incredible mother always there for Tabitha, her best friend, who grew to be her twin in many ways.

Amy also deeply loved her son-in-law, grand-daughter and grand-dog, Steve, Lula Amy, and Percy Jackson; brother, and sister-in-law, Troy, and Nikki Benavides; and numerous nieces and nephews. Amy made an impact on so many people as she was known for her strength, humor, wit, passion for life and sense of adventure. She was an incredible wife, mother, grandma, sister, daughter, aunt, and friend and will continue to be our guardian angel from Heaven.

*Amy, Thank you, for always keeping us on the right side of the yellow line.... As many times we would tend to steer to the left you would always direct us back... even cornering us when Gary's Scirocco was stolen on your wedding night... Or when Gary was in trouble and the high pitched Gary Gutierrez voice would come out, Watching him stammer and studder trying to explain the reasoning why we did something not so smart... Good thing Tabitha got your smarts... Thank you for look out and keeping Gary safe, Know he always love with you even as far back as High School, He would always brag about his new girlfriend Amy... I know from above you will keep an eye on Gary, Tabitha and lil lu and the rest of us a true angel on our shoulder. ... Have fun, keep an on Violet she has her hands full with Mr. Gill and Larry... And I know if I stray to the left of the yellow line,, somehow you are going to let me know to get right !!!!!. Love ya .. Thanks !!! I won't say miss ya, we'll catch up and I'll explain again the reasoning why !!!!!*
