“ *I truly am sad for the passing of Anna Jo from this life; but now she is in a place where there are no more suffering, and no more tears. We must remember that life is eternal, love is immortal, and now Anna is at peace with our Lord for she has earned her ultimate reward. She is probably smiling at her family and those she loved , and thanking those who dearly cared for her by providing an atmosphere of love. Thank you for your kindness and your love that you have shared with your family and friends . We truly miss you and thank God you were a part of our lives.*
