“ I am so sorry to hear about my cousin's demise. My condolences to the whole family. When we were teenagers we could go with our fathers where ever they played so we could dance. My dad was Silverio.

“ I remember my Aunt Annie working most holidays and then still arriving to family celebrations afterward. My mom and dad always said they knew she must be tired and wished she didn't have to work so hard. But she was cut of that same hardworking cloth as my dad. I miss them both and hope they are catching up on good times together in heaven. To my cousins, prayers for your comfort and eventual peace.

*A beloved mother, daughter, sister & friend  
My mother was one of my "mujeres de fuerza". A woman of strength, faith, compassion and love. She always thought of other's needs before her own. I know that God has a special place for my mom in heaven because of everything she endured in life and everything she gave without regret because of her faith in Him. My mother loved music, dancing, cooking, her family, her husband, her children and her faith. She knew how to make others happy with her beautiful smile and hospitable nature. Mama is with her Lord in heaven probably asking him, Can I fix you something to eat?"  
Rest in peace Mama. We love you!*
