“ Dearest Ms. Huizar,

Words can't explain or even come close to try and explain the sadness I feel in my heart. You were very much like a second mother to me...at least in my eyes you were. Thank you for the kind gestures and your wonderful hospitality you provided for my family and I. As the days, months & years pass us by you will always have a special place in our hearts. It's taken me so long to share a memory due to not wanting to accept that your not w/us anymore. Though you can't be seen I trust that you're watching over all your loved ones as an angel, along w/Luis.RIP... My deepest condolences to all the Huizar & Sifuentes family.

*Respectfully,
Yvette M. T.*
