“ My favorite memory of Mr. Carrillo came at a time when I most needed the warmth of family and community. I was 18 years old when Bertha Eliza Carrillo (before marriage) invited me into her home. We had met on a college campus, and she was helping me develop a relationship with God, for which I am eternally grateful.

Mr. Carrillo and his wife, Mrs. Carrillo, provided me with many meals. It was such a blessing to sit with both of them and enjoy a delicious breakfast. I learned what a “blanquillo” was as they served me my eggs over easy with a side of sauce.

He was the most gracious and kind father, and I admired his patient spirit. May God continue to provide comfort for the entire family and for all of his friends and loved ones.

“Dad I miss you so much! But knowing you are being comforted in heaven gives me peace. You will forever live in my heart. I feel your presence and it gives me peace. A comfort I cant explain only God. You would always say gracias to God which is thank you to GOD. As tears fall down my checks. I know God is saying well done to you. You never stopped calling for your Eva till your last breath and praying o God. I love you always Daddy your daughter Bertha Eliza Calpena
