

Andres "Andrew" Aguilar Flores

April 2, 1971 - May 2, 2026

Andres "Andrew" Aguilar Flores entered eternal rest on May 2, 2026, at the age of 55. He was born on April 2, 1971, to Cecilio C. Flores and Antonia (Aguilar) Flores.

Andrew was a devoted husband, loving father, and cherished son whose presence filled every room with warmth. Though he was a quiet man, he never needed much, his greatest joy was simply being surrounded by his family. He will be deeply remembered for his contagious laugh, his playful and goofy spirit, and the way he could bring lightness to any moment.

Andrew was a man of great strength and unwavering encouragement, always lifting others up, offering support, and reminding his loved ones to keep going no matter what. His love for his family was constant and unconditional, and it showed in everything he did.

He is preceded in death by his maternal grandparents, Santos and Dolores Aguilar; his paternal grandparents, Federico and Brigida C. Flores; his brother-in-law, Eddie Capelo; and his nephew, Spencer DelToro.

Andrew leaves behind a legacy of love in those who knew him best, including his beloved wife, Betty; his children, Ameriz and Ace; his parents, Cecilio and Antonia Flores; his brother, Arturo Flores and Joanne, Conrad Cantu and Lin,

Johnny Cantu and Erica, Christopher Cantu, and Misty and Richard Cisneros, along with many other family members and friends who will continue to carry his memory in their hearts.

He will forever be loved, deeply missed, and never forgotten.

Siempre vivirá en nuestros corazones.
