“ I will forever cherish Andrew's laugh and smile and all the times we spent together growing up. He was like a 2nd brother to me and we had so many good memories of laughter and happiness. Whether it was playing video games, drawing, listening to hip hop music, watching the Spurs/Cowboys, hanging out/having a drink, he was one-of-a-kind. All my memories of him are good. He had a good heart with good intentions. The last time I saw him, he came over and gave my daughter money for a toy. I'm so saddened by his sudden death and wish I could have spent more time with him. He will be greatly missed. Rest In Peace Andrew! I love you!
