

## Angela Maria Farias

February 16, 1949 - January 8, 2020

Angela Maria Farias went to be with the Lord January 08, 2020 in San Antonio, Texas at the age of 70. She was born in Laredo, Texas on February 16, 1949 to Felipe and Jane Rodriguez whom she loved very deeply. She is survived by her loving husband of 49 years, Joe Farias; son, Gabriel David Farias and wife, Katie, their children Niya Marie and Xzavier Gabriel; son, Joey G Farias Jr and wife, Athena, their children Analyssa Danielle, Joey Felipe, Gia Shae Martinez and their grandchildren, Eano Eugenio Romero, Braylon Maximillian Castillo and Chanel Aniya Castillo; son, Daniel Farias and his son Nicholas; son, Jaime Rene Farias and wife JoAna, their children Noah Julian, Christian Jude, Jasmine Jade and Elijah Matthew; loving father, Felipe Rodriguez and brothers, Phillip Rodriguez and David Rodriguez (nephews Mark and Adan) and numerous Farias nieces and nephews. Angela is preceded in death by her mother, Jane Rodriguez whom she missed every day and her beloved sister-in-law Carol Rodriguez.

Joe and Angie were married on July, 18, 1970 when Joe returned from Vietnam. Together they raised four boys who were the loves of her life. She was their biggest cheerleader at all their sporting events from youth sports and eventually on to collegiate sports. She often talked about the weekend road trips they would take to see the boys play all over the country. But the family didn't stop with four boys; she treated the boys' closest friends as her own sons and Joe's best friends as her brothers.

Angie worked for Harlandale ISD for many years and nothing filled her heart

more than working with the students at her alma mater, McCollum High School. Over the last few days the family has been overwhelmed with the many messages from former students explaining the great impact she had on their lives. She firmly believed "Once A Cowboy, Always A Cowboy".

One of her proudest titles was that of a State Representative's Wife. She cherished her time in Austin and loved seeing Joe shine on the House Floor. Here her Family grew once again to include Joe's office staff who she held very close to her heart.

Of all her titles her favorite was being called Grandma. She loved every one of her grandchildren deeply and loved attending their school carnivals, plays, award ceremonies and watching them play sports.

The Family would like to thank Dr. Danny Kellum Jr and Dr. Geraldo Sioco for the many years of care and the beautiful gift of more time.

Angie will be missed not only by her Family but by the community she was proud to call home and the many people whose lives she touched along the way.

“ To the Farias & the Rodriguez families, my deepest condolences to you all. My fondest memories are from years ago. Our families knew each other as the Rodriguez are my brothers padrinos! Also, Joe was my brothers baseball Coach. I remember when Angie & Joe had Gabe. My Mom embroidered on a baby blue blanket for him to announce his birth from the team. I also got to always see her at school when she worked in the office. Then later, the Farias catered my wedding. Angie, the Rodriguez's and the Farias families have always touched everyone's heart. Prayers for strength to all of them during this time.

“ Our memory of Angie started way back in the day when my husband Pablo De La Rosa and Joe worked together, we had get togethers (BBQ's and just visiting each other's homes) and our children would play together and got know one another. We moved to Port Arthur, Tx for a new job and business venture, so we did not get to see each other like we would have loved to. We definitely will miss Angies contagious smile and friendly persona, she was a joy to be around! Our deepest condolences to Joe and her sons and grandchildren and her father and brother and family. May you Rest In Peace Angie until we meet again. Irene and Pablo De La Rosa

“ *My deepest condolences to the Farias family, Aunt Angie was the sweetest and kindest person that I have met no one compares to her generosity. She was all of ours biggest supporter especially to her husband, sons and grandchildren. I'm sorry I will not be able to attend the services but I will be sending my prayers. The memories have been replaying over and over in my head since the day my mom broke the news to me. She has always shown how proud she was of me for serving our country. Aunt Angie and Uncle Joe, we're always happy to see us in our sea of relatives at all the family functions. This last part goes out to the family, Uncle Joe you were her sweetheart you two share a love that only some can hope for. Gabe, Joey, Danial, and Jaime you were her pride and joy she loved you all. Lastly to all the grandchildren you were her light and kept her young. We love you and miss you Aunt Angie.*

“ I met Angie when we worked at USAA when we were 19 years old. Fate reconnected us 35 years later, and we worked together at McCollum. She was always the light in everyone’s day and her smile was contagious. I loved her very much, and will never forget her giving spirit. Rest In Peace, My Friend. Sonia Juarez
