

## Angela Bose Phillips

August 3, 2006 - August 3, 2013

Angela Bose Phillips died peacefully in her parents' arms at Children's Medical Center in Dallas, Texas on August 3, 2013. After seven years of overcoming many obstacles with a Congenital heart disease called Hypoplastic Left Heart Syndrome, she passed gently into the arms of Jesus.

Angela was born on August 3, 2006 to birth parents Kevin and Rose Bose in Ft. Irwin, California. In November 2008, at two years old, she became the daughter of Gary and Sabrina Phillips in San Antonio, Texas. Angela was a big personality in a tiny package, full of giggles and smiles. Everyone was her friend, whether she knew you for 5 minutes or 5 years. She loved to sing, dance, paint and spend time with her family and friends. She will be deeply missed by the many people who were blessed to know her. We take comfort in knowing she is with her Heavenly Father, One who loves her more than we are capable of and knowing she is doing all of the things she loves without physical limitation. Our lives will be forever impacted by her sweet spirit and ability to offer unconditional love to those around her no matter the circumstances.

She is survived by her parents, Gary and Sabrina Phillips; grandparents Dreena McGinn of Alamogordo, NM and Charles and Evelyn Phillips of Whitney, TX; her siblings Delaney and Bryson Phillips; and by her birth family, many

aunts, uncles, cousins, friends, and many wonderful health care providers.

A Funeral Service will be held Friday, August 9, 2013 at 10:00 AM at Westover Hills Assembly of God. If you would like to give a gift in memory of Angela, please consider becoming a registered organ donor at [www.organdonor.gov/](http://www.organdonor.gov/) or make a donation to the American Heart Association or Mended Little Hearts of San Antonio.
