“ To the family of Angelita. Living in California I probably only saw your mom 20 times but she was always kind and made me feel welcome. When I think of your mom I smile because she always smiled when she saw me. Hugs to all of you. God has a new angel.

Grandma, we as a family were so blessed to have you by our side for many years. You loved us unconditionally and taught us to love the Lord as well. I miss you everyday, but I know you are so happy to be with your parents and son. I love you so much and will ALWAYS remember you
