

Angie Llanes Martinez

May 14, 1937 - January 27, 2022

Angie Llanes Martinez, a proud mother of four children, eight grandchildren and eight great grandchildren lost her fight and gained her angel wings on January 27, 2022 at the age of 85.

Angie was raised by her grandfather who died at the age of 97 and her grandmother who was blind and died at the age of 114, with her brother John and 13 other children that her grandparents adopted as foster children. Angie grew up to be an independent and caring woman. She was born in New Braunfels, TX and raised her children in San Antonio, TX.

Angie was a dedicated and hardworking woman. Her biggest motivation was to take care of her children. She worked tirelessly to earn a living for her children. She worked as a hairdresser for over 60 years, 40 of which she operated her own hair salon out of her own home. All she wanted was to give her children and grandchildren as much love, security and support as she could. Even through the hardest time, she always persisted and provided for her family.

Angie had a friendly and kind personality. She loved people and they really loved her back. Her colleagues and employers at HEB all enjoyed working with her because she was so ready to help every customer. After 40 years with HEB, Angie left and started her Journey and Fight against Lewy Body Dementia.

A celebration of her life will be on Friday, March 4, 2022 at 6:00PM at Mission Park Funeral Chapels North, 3401 Cherry Ridge Dr., San Antonio, TX 78230.

In lieu of flowers, donations can be made in her honor to the Alzheimer's Association at <https://act.alz.org/site/Donation>

“ *A true living Angel. I remember her exuberance. As soon as She moved in, all the women were on notice. These were the late 60's when style and class were all over the place, but not Angie! She was a TRUE class act. She never missed a beat!*

A true Dynamo!

OMG I was only 5 or 6 years old then but I could feel the parting of the clouds. A true breath of fresh air has arrived Thank you JESUS!

She never was judging anyone only was wanting to be helpful towards others. She would even take me out to dinner on my B'day once in awhile. OMG, I guess she thought I was so needy, but she just sloughed it off and said no I just wanted to go out with someone to get outta the house. A true Class act! May the Heavens watch out now!
