“ *Ms. Anita, as she was known to several of her neighbors, will be missed by us. Every home on our modest street is filled with warmth and love, and the joyfulness of Ms. Anita's home will never be forgotten. She was a blessing to our community, and has earned her blissful rest in Heaven. I pray for her eternal peace, and for her family's strength. May they find comfort in God's love and compassion during these difficult days.*

“ I am thinking of and send our condolences to all Anita’s family as we “Celebrate her Life”. Anita was a beautiful woman. She is gone from our sight but never from our hearts. She was my close friend and teacher and I will always value her company and our partnership in prayer.

*She was my ideal of a prayer warrior committed to praying for others. She taught me God has given me the ability too overcome hardships in life through prayer. I am immensely grateful for all the moments we shared.*

*She integrated a certain degree of witty and humorous expressions into any conversation. Her smile, the twinkle in her eyes and the raising of her eye brow always denoted happiness and love for others. I love her and will miss her.*
