

Anita Giron

July 26, 1929 - November 29, 2020

With great sadness our Mom, Grandmother, Aunt and Friend, Anita Cantu Giron, entered eternal rest on November 29, 2020 at 91 years of age. Anita was born in Karnes City, Texas to Hilario and Gertrudes Cantu on July 26, 1929.

She grew up knowing the meaning of hard work. From picking cotton and vegetables in the fields to cleaning houses and offices to working in the cafeteria at Kelly AFB. And, of course raising 6 children.

Mom enjoyed life to the fullest and was the life of the party wherever she went. She loved to dance and sing along to any music, especially Mariachis.

She was a kind, gentle, funny, beautiful soul who knew no strangers. She was loved by everyone who had the pleasure of meeting her.

She loved taking trips to Las Vegas and just about anywhere she could sit at a slot machine. She has finally hit that jackpot that always eluded her. She has the riches of Heaven to enjoy for all eternity.

Above all, she especially loved her family.

She is preceded in death by her loving husband Joe, son Roy, son-in-law Victor, siblings: Estela, Francisco, Consuelo, Richard and Tomas.

She survived by children: Sophie, Joe (Gloria), Diana (Rudy), Ginger, Suzanne, daughter-in-law Veronica and brother-in-law Jesse. As well as, 13 grandchildren, 12 great-grandchildren and 1 great-great grandson. Numerous nephews, nieces, cousins and friends.

She leaves us with a trail of beautiful memories that will remain in our hearts forever.

Enjoy your cafe y pan dulce with Dad. Until we see you again! Love you!

“ Anita was a funny, sweet, charismatic woman who had a beautiful smile and warm heart. I was blessed to know her. She is deeply missed. May she enjoy the everlasting peace and joy of heaven. Amen.

“ My mom Olivia was a beloved friend of Anita. About 4 years ago my mom and Anita went on an adventure. Somehow Anita was at my moms house who lives about 2 blocks away from Anita's house. My mom and Anita decided to walk back to Anita's house. Mind you these are 2 ladies in their upper 80's walking along a busy street. Somehow Anita fell along the way and when my mom went to pick her up my mom also fell. But she fell right on top of Anita! They were near the tracks when this happened near Lonestar and Probandt. They laughed so hard my mom said. Then they decided they better get up and get going because a train might be coming and they did not want to get hit by the train. My mom loves to tell this story.
