Anita was loved by so many. She worked nearly 40 years in the health care field as a housekeeping and laundry supervisor. She was very dedicated to her work, very dedicated to her children, and her grandchildren. She worked a lot until she retired in 2012. Even while she was working full time, she would come home and spend time with her children and all of her bonus children. She has quite a few bonus children that she's been a second mom to over the years. She loved to work in her yard with her roses and pulling weeds. She loved spending time with her grandkids whether it was reading a story,

watching TV, yard work, or even just talking about the day. She will be truly missed by so many but we find peace in knowing she is with family that was waiting for her in heaven.

The family would like give special thanks to Vitas Hospice team #566, Blessed Life Christian Church, and Karen's House of Flowers.
