There are no words to heal one's pain and suffering, but I know prayer and faith will. We empathize with your loss and know it's a difficult time. Know that you are not alone. God who is our creator is with us, the Alpha and the Omega Who is the Beginning and the End. Today we lift our sister Anita in prayer and in faith and we ask our Dear Lord to bring healing, comfort, peace, and love into the hearts of doubt and despair. If there's any consolation or light at the end of the tunnel is to know faith will bring us to Christ and one day we will all meet with God in paradise!

*Our deepest condolences,
Cousin Bobby & Cindy Gutierrez*

“ *I can remember the many times that Anita would bring over to our clinic when she came to help us with our financial needs, Duncan donut holes. She always brought them and we would eat them up in our little room.*

“ *I remember Anita when she had her hair long. The very first time she cut her hair short and had it a little faded in the back, we all made noise here because the cut made her look real sexy. She laughed and was looking so beautiful.*
