“ *My oldest childhood friend - I miss you so much already. I've picked up my phone several times and began to text you. I'm gonna miss all the heart to heart talks and all the funny texts. Boy, did we laugh a lot! I hope you know that I'm especially proud of the loving and giving mom, daughter, sister, and true friend you are. You are brave and have always been a true fighter - one of the strongest individuals I know. We are all blessed to have you in our lives. You will always be with us in spirit and will never be forgotten. May you rest in peace.*
