“ *03/23/1932 - 06/26/2023 wow 91 years old! My grandma was definitely 1 of a kind, she had her own little spunky way of dressing, you always felt as if you were under dressed whenever you were with her. And oh my my her chicken flautas. I can see her now with her pretty little smile getting all embarrassed just like she is on that top picture when she's laughing into my shoulder. And in the picture when we're at Walmart I was pushing her around and that cart where a kid can sit down, she was beside herself because she was so independent and didn't want anyone doing anything for her. But she finally allowed me to push her around we had so much fun. She sure was a stubborn lady that's where I get it from I believe. She sure did live a full life and I know she was walking with the Lord so she's definitely in a better place. Grandma Anna Maria Loera Menchaca Perez as I called her I kind of made a song out of her name. Lol I love you may you rest in paradise till I see you again I love you.*

“ I'd like to offer my sincere condolences to the family of Anna Maria Menchaca. Anna Maria was my Mother in Law, I was married to her son George. She is the grandmother to my two children; George Anthony Perez and Jennifer Ann Trujeque and great grandmother of 5 and great great grandmother of 1.

She loved her grandchildren and would visit when she could. She was a funny lady and very set in her ways. I will always remember her as a very stylish lady.

May you rest in eternal peace Anna Maria! 🙏

Sincerely,

Terry Perez
