“ *My Tia Anna was the best. She was the most loving and caring person. Not only was she my aunt, she was the Godmother to myself and my brother. My parents chose her and my Uncle Johnny to be our godparents. I am so heartbroken that she is no longer here. We will miss her so much. It's still hard to believe she is gone. We will always have her in our hearts. My prayers will be with my Uncle, Monica and JJ as they navigate this new life without my Tia Anna. I love you forever and I will miss you always.*

“ *Ann was my best friend in all the world. Her heart was filled with love for her wonderful family, and when we talked almost every week she shared what was going on with all of them. She was in San Antonio, and I was in Merida, Mexico but I knew what she was fixing for Juan’s dinner that night, how Trini was doing at school, how hard JJ was working, and where Monica and her girls were going next to enjoy a concert. We shared all our happy times and sad times for almost 30 years. I will miss her so much, and I know her family will miss her every minute of every day. I love you, Ann. I hope you are with all the ones you loved in your family who went before you.*
