“ *I am sorry for your loss and hope you will bear with me as I give you a little anecdote of the special role Anna Deuel played in my life. She was my supervisor in 1970-1 at Kelly AFB. I began to think I should go to college during lunchtime conversation*

“ *She was always known as "Grandmother" to me and all our friends. She loved being "our" Grandmother--she always took each and every one of us under her wing. My favorite memory of her was of her dancing at Kathy & Jeff's wedding...She really "cut the rug"*
