

## Anna Marie Kil

August 9, 1925 - October 27, 2019

Anna Marie Kil born on August 9, 1925, went to be with the Lord on October 27, 2019 at the age of 94 in Santa Ana, California. Anna was born to Franz and Anna Kolb Feser in Germany. Anna is predeceased by her parents and her loving husband Henry Kil.

Anna met Henry when he was serving in the U.S. Air Force in Germany. She was born and raised in Germany and was living with her parents at the time. They fell in love got married in 1948 and they started their life together in Hawaii. Anna moved from San Antonio to CA shortly after her beloved husband Henry died.

She had many close friends in California but her heart always remained in San Antonio where she was surrounded by a loving and close knit community of friends and neighbors.

She was particularly fond of living at Atria del Sol in Mission Viejo, CA where she made friends with residents and staff members...Auriel Livezey, Jeannie Sackett and Cathy Harvey. They all cared for her and remained devoted friends. In fact she became such good friends with Bonnie Stanley that when Bonnie moved to a senior living facility in another town ... shortly thereafter Anna followed her there. They shared the closest of friendships.

Before moving to Atria Mission Viejo Anna lived at Atria in Irvine. She loved doing crafts, listening to music & going on outings, but her favorite was playing bingo everyday with her close friend Ruth McGuire. After Ruth's death, Anna shared a close and loving relationship with Ruth's daughter, Colleen Higman. They (Anna & Colleen) were together at the time of Anna's death. Anna loved being part of the large McGuire-Higman family ...she especially enjoyed the young children. During the last months of Anna's life she lived at the Thank Ya Kindly Home where she found peace and joy. They were all wonderful... especially Elmer who she had a special bond with.

All who knew Anna were blessed by her quiet, gentle manner. She was trusting and very unselfish ... always thinking of others. She had great respect for others and she was very humble. She suffered with various ailments in the last years of her life but she never complained. In her earlier years Anna was an excellent seamstress and also loved to knit. She always saw the best in others. Anna was independent, she was a devout Catholic and she loved working on word search puzzles and always had one on her lap ... right up until shortly before she died.

All who were lucky enough to be part of her life ... were truly blessed!
