“ *My aunt Anna Mary was loving, caring and kind and she was always a joy to be around! She had a good sense of humor. She was a wonderful wife and mother and was always looking out for all of the cousins when we would go to Mobile from Texas to either my grandmother's house or to a house we would rent "over the bay" to spend such happy times together. She and my mom shared all of my grandmother's amazing and "famous" recipes and Anna Mary was a great cook. I'm happy that she had such a good, long life because she deserved it. She will be missed by all who were lucky enough to know her!*
