

Anna Suzette Spruce

February 3, 1999 - June 22, 2022

Anna Suzette Spruce, beloved daughter, sister, and friend to many passed away peacefully on June 22, 2022.

Anna's bubbly personality always made a positive impression on anyone who she came in contact with. She had a quick knack for making friends along the way of her life adventures. Whether you worked with her, knew her from school, or maybe even only met her once, she was easy to remember and always had a smile on her face. Anna's smile was contagious and she could easily light up any room she entered.

Anna always had a funny story or experience to share with anyone who would listen. Whether it was her doing her donald duck voice, the worm in various public settings, or witnessing her busting a dance move or two (more than just two) on the dance floor, she could always make you laugh. She truly radiated happiness and joy wherever she went, and always left you with a happy memory to remember her by.

Anna graduated Texas State University in 2021 and received a degree in Business Management and graduated Magna Cum Laude. Texas State connected her to so many people throughout those four years and created life long memories for everyone who crossed her path there.

Anna also used her outgoing personality in the workplace setting of the hospitality industry. Before moving to Austin, she worked at the JW Marriott for five years and created many memorable relationships on the way. Anna truly never met a stranger, and her hard work was acknowledged as she was awarded employee of the month on more than one occasion.

Anna had a love for dancing, karaoke singing, cheerleading, socializing, and making new friends wherever she went!

Anna cherished her family and the numerous friendships she created. She was preceded in death by grandmother, Anna Grace Spruce, and father, Douglas Paul Wright.

She is survived by mother, Suzy Spruce; siblings: Grace Spruce, Jules Wright, and Garrett Wright; grandparents: William Spruce and Jac Spruce; uncle: Bill Spruce; cousin: William Spruce.

One of Anna's heroes in life was Dwayne "The Rock" Johnson, and I know she would find this quote uplifting to those who may need it.

"I found that with depression, one of the most important things you can realize is that you're not alone. You're not the first to go through it, you're not gonna be the last to go through it,"

— Dwayne "The Rock" Johnson
