“ I have a lifetime of memories of the Verstegen family led by Anna, to middle of the night sleepovers when my daddy went to the hospital to the large family dinners where you made room at your table for one more little girl. You and your family are a precious part of my childhood I will always cherish! Say hi to my mom and dad and Sandra. We were blessed to grow up neighbors with y'all and friends with your children. I will cherish those memories forever. I will keep all of your family in my prayers. I know we all have a new Angel to watch over us.
