“ *I doesn't seem real, now that you are gone, knowing I will never hear your voice again. I have been told that you have known me since I was born, though it was not until I was a teenager that I began to know you. You may never know how much you meant to me, filling motherly void I needed as a teenager. And allowing me to be me no matter what. I will miss you, but know you are loved and will forever be. I am sure you are smiling and happy back in JC's arms and viditing with your friends again. Till we meet again,  
Love Sissy*
