

## Annetta Lanea Hodson

December 11, 1997 - September 28, 2017

Annetta Lanea Hodson age 19 went to serve her mission in Heaven on Thursday, September 28, 2017. Annetta has been an angel in her home, and in the home of many of her dear friends and family. Annetta brought joy into every life she touched. Her effervescent attitude always lit up the room when she entered. Annetta was known for her sweet, happy disposition, and brought smiles to the faces of those close to her with fun attitude. She often sought out others that needed a friend or shoulder to learn on. Annetta always put the needs of others before her own; she was a prolific volunteer. Annetta spent time volunteering at the Upward Transitions Horse Ranch, assisting mentally and physically disabled children. She recently began volunteering at the local fire department, she scored top marks in her training class...her goal was to certify as an EMT, and eventually join the military as a Firefighter. Annetta was also volunteering at The Church of Jesus Christ of Latter Day Saints Temple in San Antonio. She was preparing to go on an LDS Church mission, but in the interim, she had been accepted into Brigham Young University – Idaho. True to form, Annetta's last saintly act on earth was as an organ donor, where she saved and improved hundreds of lives. Annetta was a light unto the world, and her memory and legacy will live on in the hearts of all those she touched and served. Annetta is survived by her Mother, Christine De La Cerda and her husband, Aniseto; 3 Brothers, Robert Hodson, II, Maximus De La Cerda, Aniseto De La Cerda; 1 Sister, Jozzallyn De La Cerda; Father, Robert Hodson; Grandmother, Judy Hodson and her husband, Robert;

and those she considered family.
