“ *I am so sorry for her family and friends. She is a great loss to anyone that knew her I have a fond memories when I was about seven years old. She had come to Michigan to visit our family and I was fascinated with her southern accent and I thought she was the prettiest woman I ever saw. I know I just stared at her and she probably thought I was a strange kid, but I was just in awe of her. She was always very sweet to me. I hold her finally in my heart.*
