“ Annette and I met in the 80’s actually her sister Cynthia and I were friends first. I used to think Annette was not very friendly and kind of mean lol. If you knew her you’d know she wasn’t shy, had no filter and told it like it was. That’s what I love about her. Little did I know that she and I would become life long friends. I will cherish all our memories and keep her in my heart forever. I’ll love you until eternity my friend, until we meet again. D

“ *My dear friend Annette, thank you for all the wonderful memories.*

Annette and I worked As colleagues at nationwide insurance in 1989.

We have been there for one another through the speed bumps in our lives. Regardless of her circumstance she always made time to meet at a cafe for some coffee and/or lunch. We had lots of laughs and tears. Most importantly we reminded one another of God’s promises.

Here’s a couple of pics of a road trip we took to Austin in April 2024 for a Lauren Daigle concert.
