

## Annie M. Paz

April 25, 1938 - June 28, 2020

Annie was a loving woman of many attributes, a friend to many, a loving wife, mother and grandmother. Her life centered on God's creations, such as love, music and in particular an immense admiration of flowers of all sorts. She loved all gardening in her spare time, and was known as having a green thumb. Bougalvillas and multi-colored roses were her favorites. As a beautician and owner of several shops, Annie enjoyed the socialization and friendships developed by meeting new people. Another favorite past time Annie enjoyed was traveling with her husband Ernest to different parts of the country while enjoying new adventures. Annie enjoyed spending special holidays such as Christmas where she was surrounded by her gleeful grandchildren. Annie also enjoyed all sorts of our cities festive activities, especially NIOSA during Fiesta week. Annie was very inclined in attending Sunday church services and singing praises to God. While we strongly regret her loss, we are thankful to God for the time we shared together. Till we meet again! Amen.
