

Ansuyaben Mansukh Jariwala

July 24, 1943 - August 2, 2021

It is with great sadness that we, the family of Ansuyaben M. Jariwala, announce her passing on August 2, 2021. She was 78 years old and the beloved matriarch of our family. She was known to all as Motiba. She passed away peacefully with her husband Mansukhlal, daughter Linaben, son Mineshbhai, and daughter-in-law Varuni by her side.

She is preceded in death by her parents Parsottambhai and Maniben, her son Bharathbhai, her siblings Gulabben, Rukiben, Kashiben, Natubhai, Takorbhai, and Muchinbhai. She is survived by her husband Mansukhlal; her children Linaben, and Mineshbhai; her sister Deviben; as well other countless loving family members and friends.

Ansuyaben was born July 24, 1943 in the village of Ena, state of Gujarat in India. She married Mansukhlal in February of 1960, and bravely emigrated from India to Toronto with her three children in 1974, to join her husband and make a new life for the whole family. The family then immigrated to San Antonio, Texas in 1977 where they successfully ran the family's motel business for many decades. The Belvedere motel remains a nostalgic structure on Austin Highway to this day.

Ansuyaben was a jovial, meticulous, compassionate woman to all, who dedicated decades of her life helping to raise dozens of the family's children

across the globe. She adored time with her grand-nieces and grand-nephews who kept her dancing and young at heart. She was quick with a Gujarati expression to fit any occasion, and was the highest consultant on any kind of social event, from weddings to birthdays and even funerals. She knew the secret to making any event into a memorable occasion, or a grand success. She loved hair bows, jewelry shopping, and all things food-related. She was universally known as a genius in the kitchen. During her final hours her daughter Linaben and son Mineshbhai were at her side, recalling the best things about her: her wonderful love-filled homemade food, her generous nature, and her incredibly loving presence as a human being.
