“ Tony Cooley is a good friend of mine since 1992. He was a giving person of his time and talents. I remember many Saturdays spent with him in the 90's and early 2000's helping members of Eden Ward (then in the North Stake) move in and out of the Ward. One of my fondest memories is when he donated blood for my daughter in law who had leukemia. I will miss you Tony but will see you again when my time comes.
