

Anthony "Tony" Wade Helms

March 18, 1955 - October 18, 2019

Anthony "Tony" Wade Helms

March 18, 1955 - October 18, 2019

Tony cherished his family above all else. He was the son of Mary Ellen Casey and Marshall Wade Helms. He is survived by his Son's, Trenton and Taylor Helms... Fiancé and longtime Partner, Dawn Roberts and her son, Cody Roberts... Brothers, Luke Southard and Rick Stone... Sister's, Sydney McDougal-McNew, Renee Helms, Mitzi Stone-Schuster and multiple Nephews and Nieces.

Tony began his masonry career in 1974 at the young age of 18 as a masonry apprentice in the family business, S&S Masonry, under the leadership of their Father, Ronnie Stone. His brother's, Luke Southard and Rick Stone, followed in his footsteps in the family business. Tony graduated to estimator for the company in 1979. He continued in that position until 1988. He then became an estimator for Tim Luna Masonry and worked there until 1998. At that point, he joined Custom Masonry Corporation as Sr. Estimator/Operations Manager until 2012.

He was truly a MAN'S MAN!! He loved the outdoors.... hunting, fishing and feeding the deer on his property. He enjoyed mowing the grass on his riding

lawn mower and sitting on his front porch while watching all of the Red Birds land in his trees. In our family, Red Birds are a reminder of loved ones who have gone before us.

Tony loved to play poker on the weekends with Dawn, and her Mother who he affectionately called Toots... and anyone else who would play. He was famous for saying "Raise you a quarter!!"

He was loved unconditionally by his family and will be forever missed! There is a hole in our family's hearts with his passing... but he will continue to live in those of us who were fortunate enough to have been a part of his life.

A private celebration of Tony's life will be held at a later date. Tony's family has asked that in lieu of flowers, please donate to a charity of your choice.

Tribute Wall

MP

“ So sorry to hear of Tony's passing. I worked many projects with him while he was with Custom Masonry, and I with Texas Quarries. He definitely knew the masonry business! He will be missed, but never forgotten.
