“ I already miss her so much. She was "my partner in crime", she was like a cross between Rue McClannahan and Betty White. So full of life, love and laughter. I just loved calling her up and saying, "Ready to go here there and everywhere?" and she was always ready. She was such a blessing to me, my mom and dad. She loved her sons and so proud of them and loved talking about them. They were like royalty to her. God Bless You Guys, LUV U from Yoli and Carlos
