Tribute Wall

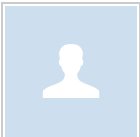

“ *Grandma I miss you so much already. You always spoke to me about the simplicity in life. You always made me aware of the difference between necessities and wants, and what were earthly and unnecessary things to live. But, not only did she open my eyes..she kept my heart warm, during my coldest days, and fed my soul to no bounds, only to want for all of her family..for us to be loved and to be capable of loving whether it's in return to love ones self or another. We all felt my stirn grandmothers undeniable love. I was blessed by God Almighty to bestow this beautifully, strong minded, quick witted, and full of compassion, Grandmother..who was my mother and I was just lucky to be her favorite. I love you Grandma, and now I know you're where you wanted to be..with Wela and Ponson. You are forever en mi corazon buelita Bonita! Que Dios te bendiga MI abuelita Tonia, mas querida.*
