“ Although I did carry his blood to call him my dad! He has been in my life since I was 12 years old, he played a huge part in my life and in my 2 daughters life. I have memories that will last a life time. My dad was loved by so many, he would just walk into a room and with our saying a word he light up the room. He was always the life of the party! Dad this isn't goodbye, but see you later!!!! Love you always ❤️ Marie

“ Unfortunately I only met Tony once at Brandee and Robert's house. We chatted for a while and I remember him being kind and very happy to be there. RIP. ❤️🙏✝️

“ My dad loved to visit all the local places like the zoo, the tower and the snake farm. Hewas an incredible artist, loved his family and his granddaughter Jasmine. Memories were always number 1 with him. Thats why when ever venturing out he always had two things... a hat... and a camera.

“ Antonio (TONY) Jimenez was a kind person who loved his children and family to a point that he took hundreds of photos of them in his lifetime. He helped out others whenever he could. Unfortunately he died too soon and will leave a void in the life of those that loved him dearly.

Rest in peace free from any suffering and pain.
