“ Ruth, my deepest condolences. Antonio Lopez III was a student of mine at Burbank High School. He could be difficult, but he would always let me know when he was settling down by saying, "I'm calm now". He was quite the entertainer, he had an encyclopedic memory of Spanish and English songs. He enjoyed singing out loud or dancing in the classroom. It was never a dull moment with him. Rest in Peace, my dear, Tony. I shall never forget you.
